

### **Applicability of UIL Rules and School Policies**

A student enrolled in Heritage Academy who participates in an extracurricular activity or a University Interscholastic League (UIL) competition is subject to Heritage Academy policy and UIL rules regarding participation only when the student is under the direct supervision of a Heritage Academy employee or at any other time specified by resolution of the Board.

### **Military Dependents**

Heritage Academy shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified.

### **Suspension from Extracurricular Activities**

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by Heritage Academy or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at EXEMPT COURSES.

#### **Length of Suspension**

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of REINSTATEMENT, described below, are met. A suspension shall not last beyond the end of a school year.

#### **Grade Evaluation Period**

“Grade evaluation period” means:

1. The six-week grade reporting period; or
2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

#### **School Week**

For the purpose of this policy, the school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays.

#### **Exempt Courses**

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English.

The following are honors classes for purposes of eligibility to participate in extracurricular activities:

1. All College Board Advanced Placement courses and International Baccalaureate courses in all disciplines;
2. English language arts: high school/college concurrent enrollment classes that are included in the “Community College General Academic Course Guide Manual (Part One)”;
3. Languages other than English: high school/college concurrent enrollment classes that are included in the “Community College General Academic Course Guide Manual (Part One)” and languages other than English courses Levels IV–VII;
4. Mathematics: high school/college concurrent enrollment classes that are included in the “Community College General Academic Course Guide Manual (Part One)” and precalculus;
5. Science: high school/college concurrent enrollment classes that are included in the “Community College General Academic Course Guide Manual (Part One)”;
6. Social Studies: Social Studies Advanced Studies, Economics Advanced Studies, high school/college concurrent enrollment classes that are included in the “Community College General Academic Course Guide Manual (Part One).”

Heritage Academy may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English for the purposes of extracurricular eligibility, but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Heritage Academy is neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

### **Students with Disabilities**

In the case of a student with a disability that significantly interferes with the student’s ability to meet regular academic standards, suspension must be based on the student’s failure to meet the requirements of the student’s individualized education program (IEP). The determination of whether the disability substantially interferes with the student’s ability to meet the requirements of the student’s IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, “student with a disability” means a student who is eligible for Heritage Academy’s special education program under Education Code 29.003(b).

**Practice or Rehearsal**

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance.

**Reinstatement**

Until the suspension is removed or the school year ends, Heritage Academy shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student’s grade in each class, other than a course described above at EXEMPT COURSES, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student’s teachers shall make the determination concerning the student’s grades.

**Attendance and Participation**

Heritage Academy shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board. A student shall be allowed in a school year a maximum of ten extracurricular absences not related to post-district competition, a maximum of five absences for post-district competition prior to state, and a maximum of two absences for state competition

**State Board of Education Rules**

The following provisions apply to any UIL activity.

Other organizations requiring student participation that causes a student to miss a class may request sanction from the Board. If sanctioned by resolution of the Board, student participation in the organization’s activities shall be subject to all provisions of statute and to Texas Administration Code Title 19, section 76.1001. If the Board does not grant sanction, any absences incurred by a student while participating with that organization’s activities shall be subject to the attendance provisions of the Education Code.

**Extracurricular Activities**

An extracurricular activity is an activity sponsored by the UIL, the Board, or an organization sanctioned by Board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills, but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include public performances (except as described below), contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

**Exception – Public Performances**

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. Only item 4, above, applies; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

**Limits on Participation and Practice**

**During the School Week**

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, Heritage Academy must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. If possible, Heritage Academy should avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3–11.

**During the School Day**

Limitations on practice and rehearsal during the school day shall be as follows:

1. Heritage Academy must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. Heritage Academy must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
5. Heritage Academy may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

**Record of Absences**

Heritage Academy shall maintain an accurate record of extracurricular absences for each student each school year.

**Applicability of School Policy Student Code of Conduct**

Students are subject to Heritage Academy policies and rules, including the Student Handbook and Student Code of Conduct, at any time the student is traveling to, participating in, attending an extracurricular or school-related event or activity on or off Heritage Academy property, or when under the direct supervision of a Heritage Academy employee.
