

Heritage Academy BOARD POLICY MANUAL

POLICY GROUP 4 – PERSONNEL

FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

PG-4.14.1

Notice of Nondiscrimination

Heritage Academy strictly prohibits discrimination, including harassment, against an employee on the basis of race, color, religion, gender, national origin, age, disability, genetic information, or any other legally protected classification. Retaliation against anyone involved in the complaint process is also a violation of Heritage Academy policy.

For purposes of this policy, “employee” includes current employees, volunteers and applicants for employment.

Discrimination

Discrimination is defined as conduct directed at an employee on the basis of race, color, religion, gender, national origin, age, disability, genetic information or any other basis prohibited by law, that adversely affects his or her employment.

Harassment

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on his or her race, color, religion, gender, national origin, age, disability, genetic information or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee’s work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Adversely affects the employee’s performance, environment or employment in some other manner.

Sexual Harassment

Heritage Academy will not tolerate sexual harassment, and has developed a separate policy covering that topic. See Board Policy PG-4.14.2 (Sexual Harassment Prohibition).

Retaliation

Heritage Academy expressly prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or an employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate or participate in an investigation regarding discrimination or harassment is subject to discipline, up to and including termination of employment.

Reporting Prohibited Conduct

An employee who believes that he or she has experienced prohibited conduct, or that another employee has experienced prohibited conduct, should immediately report the alleged conduct to the Principal or his or her supervisor, or to one of the school officials identified below.

In this policy, “prohibited conduct” includes discrimination, harassment and retaliation, even if the behavior does not rise to the level of unlawful conduct.

Investigating Reports of Prohibited Conduct

Heritage Academy may request, but not insist upon, a written report describing any alleged prohibited conduct. If a report is made orally, the Heritage Academy official receiving the report shall reduce the report to writing.

After receiving a report or notice of a report, the appropriate Heritage Academy official shall determine if the allegations, if proven, would constitute prohibited conduct under this policy. The investigation may be conducted by the Heritage Academy official or designee, or by a third party authorized by Heritage Academy, such as an attorney. The employee's Principal or supervisor shall be notified of the investigation, if appropriate.

The investigation may consist of personal interviews of individuals with knowledge of the allegations, including the person making the report, and the person against whom the report is filed. The investigation may also include consideration of documents or other information concerning the allegations.

If appropriate, Heritage Academy shall take prompt action to prevent prohibited conduct from occurring during the course of the investigation.

Concluding the Investigation
