HERITAGE
A C A D E M Y [™]

Mission Statement

The Heritage Academy educational philosophy maintains that we value each child as an individual person with unbridled spirit and potential, and each parent as their most fundamental educator. While modeling virtuous conduct and facilitating a comprehensive core curriculum, we emphasize the value of respecting and nurturing the child's dignity as a person while offering them an atmosphere which reflects honor, kindness, and scholarship. Children have a natural inclination to learn, and we intend to provide extraordinary opportunities for each individual child by creating and nurturing an environment that stimulates intellectual growth between all subjects. Our priority is to cultivate an enduring desire to learn and to promote virtuous character. We are able to accomplish this by maintaining a rich culture of teaching and learning while providing each student with the fundamentals of a classical education within a 21st Century environment.

Vision

Through a comprehensive core curriculum and the pursuit of cultural literacy, students will acquire the skills and critical knowledge expected of the 21st century learner in preparation for rigorous academic study.

Value Statement

Through an environment of academic excellence that reflects honor, kindness, and scholarship, we intend to educate and promote an atmosphere that affords each student the self-determination and resources to contemplate and engage in experiences that expand their boundless capacity for academic and social growth. Heritage Academy believes in exposing children to great and noble ideas through resources that are rich in literary content, scientific inquiry, real-world problem solving mathematics, and the appreciation of learning history, art, music and poetry.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Student Information

The campus had a total of 35 students in 2020-2021. (Source: Websmart)

**Total Number
Students** **37**

(Source: 2019-2020 TAPR)

Gender

Females 43.2%

Males 56.8%

7th 64.9%

8th 35.1%

Races

African
American 16.2%

2 or more races 0%

White 10.8%

Ethnicity

Hispanic 73.0%

Not Hispanic
Latino 0%

Eco
Disadvantaged 73.00%

ELL 10.8%

At-Risk 91.9%

Sped 8.1%

Gifted/Talented 5.4%

Staff Information

There were 4.9 professional staff members in 2019-2020. This included .7 administrator, 3.9 teachers, .3 professional support, instructional assistant 1.1, and 1 part time counselor.

Gender: 2.4% Female, 1.5% Male.

Ethnicity: 1.8% African-American, .1% Hispanic., and 2.0% White.

Educational level of teachers is as follows: 1.1% have Bachelor's degrees and 2.8% have Master's degrees.

Years of teaching experience: .6% beginning teacher 0-1 year, .7% with 1-5 years, .8% with 6-10 years, 1.4% with 11-20 years. and with over 20 years experience .4%

Demographics Strengths

Staff is diverse, highly-qualified, and committed to school improvement efforts.

Student body is diverse and the teacher to student ratio has been at 1:25.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Student organizations recommended to increase student input. **Root Cause:** Minimal student representation and opportunities for leadership development activities.

Student Learning

Student Learning Summary

Grades 7th and 8th use MAP, DMAC, Reading Horizons, and Imagine Math assessment resources and STAAR reports to gather data throughout the year. In addition, the campus Site Based Committee reviews the Texas Academic Performance Reports for additional campus, district, and state comparisons. All administrators and teachers are expected to use MAP & DMAC to identify specific objectives indicated as improvement required areas in subject areas, grade levels, and individual student performance. Based on STAAR results, measurable curriculum strengths are evident.

Student Learning Strengths

All students continue to show consistent growth in reading and math. The use of instructional technology resources continues to positively impact student achievement in reading and math.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Grade levels 3rd-6th need to continue training and support the writing curriculum and instruction.. **Root Cause:** The absence of writing resources and viable professional development opportunities.

Problem Statement 2 (Prioritized): A high percentage of economically disadvantaged and At Risk students in grades 7 and 8 did not meet state standards. **Root Cause:** Economically disadvantage and At Risk students lack educational background experiences at home.

Problem Statement 3 (Prioritized): Empowering math teachers to critically analyze data, develop PLCs, and design engaging math lessons. **Root Cause:** Math teachers need to increase proficiency in tracking student's academic performance.

School Processes & Programs

School Processes & Programs Summary

The campus maintains academic, athletic, and enrichment programs for all students through engagement of parent, community, and professional resources. Technology applications are an integral part of the academic program that affords opportunities for parents, students, and teachers to engage supplemental support in reading and mathematics.

School Processes & Programs Strengths

Through systemic processes that support students identified as At-Risk, ESL, GT, SPED, CTE, 504/dyslexia, Migrant, as well as, homeless and foster care, the campus provides student supports, parent involvement opportunities, and professional development activities for teachers and staff. Program outcomes demonstrate a consistent increase in student progress and parent involvement as evidenced through state assessments, surveys, and social media feedback.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Teachers require more training and experience in utilizing instructional technology resources with fidelity. **Root Cause:** Increased usage of instructional technology resources requires more training and experience for some teachers and staff.

Perceptions

Perceptions Summary

Families that are new to the campus are given a welcome packet along with a campus tour to inform them of campus procedures and other information. Frequent communication in both English and Spanish occurs to keep families informed of school events. In addition to posting school events on Facebook and Instagram for our families and community. We offer many opportunities for our families and community to get involved in their student's education.

The following is a list of opportunities for our families and community to get involved in:

- Meet the Teacher Night
- Daily morning presentations
- Teacher/parent/student meetings
- Football events
- Basketball events
- Volleyball events
- Music events
- Track event
- Art events
- Scholastic Book Week
- Red Ribbon week
- Autism week
- Pennies for Pasta
- Hoops for Heart
- Technology guidance for parents
- Award ceremony
- Fire Prevention week
- Athletic Award Banquet
- Writing contest for 7th

Perceptions Strengths

- Parent/School communication is consistent in English and other languages as required
- Opportunities for parent involvement in school are frequent
- Well-trained and culturally responsive staff

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Increased student enrichment opportunities for students is recommended. **Root Cause:** Inadequate resources to sustain enrichment program for after school activities and regional competitions.

Priority Problem Statements

Problem Statement 2: A high percentage of economically disadvantaged and At Risk students in grades 7 and 8 did not meet state standards.

Root Cause 2: Economically disadvantage and At Risk students lack educational background experiences at home.

Problem Statement 2 Areas: Student Learning

Problem Statement 3: Empowering math teachers to critically analyze data, develop PLCs, and design engaging math lessons.

Root Cause 3: Math teachers need to increase proficiency in tracking student's academic performance.

Problem Statement 3 Areas: Student Learning

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- 2019-2020 Texas Academic Performance Report
- (TAPR) data Accountability Distinction
- Designations
Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information
- (STAAR) current and longitudinal results, including all versions
- STAAR released test questions
- Running Records results
- Observation Survey results

Student Data: Student Groups

- STEM/STEAM data
- Dyslexia Data

Student Data: Behavior and Other Indicators

- Annual dropout rate data
- Attendance data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Study of best practices

Goals

Goal 1: All students will engage in instructional technology resources and participate in academic support programs aligned with core curriculum by the end of June 2022.

Performance Objective 1: Deliver a rigorous and relevant curriculum using instructional strategies designed to engaged learners.
