

Heritage Academy of Del Rio High School

College, Career, and Military Readiness Plan Adaptability

2024-2025

Mission

It is the mission of Heritage Academy to equip students with the skills and experiences necessary to develop and pursue personal post-secondary goals.

VISION

We envision a school system that provides individualized instruction and experiences in college and career readiness for all students. The Heritage Academy team supports each individual student and frequently ensures that student goals are thoroughly created and met.

Values

- Perseverance
- Exploration
- Resilience
- Goal Setting

GOALS

- Continue building college and industry partnerships within our community.
- Provide opportunities for students to experience real-world application of skills through workforce internships.
- Continue developing and maintaining systematic procedures to track student post-secondary application processes.
- Strive to match student interests with post-secondary goals.
- Provide support for students who struggle to set postsecondary goals.
- Provide opportunities for students to visit colleges.

Our school provides the following opportunities and services for students as they explore their college and career possibilities during high school.
